PROUDLY PRESENTS

*The Swing Singer!*

**ALEXANDER LOMAS**

Alexander Lomas 'The Swing Singer'. Having spent the last few years building his reputation as a truly polished performer, Alexander is without doubt one of the best in his business.

Few can truly echo the image of an era quite like Alexander. His relaxed seemingly effortless delivery providing that rare touch of class we only associated with the greats such as Sinatra, Dean Martin, Sammy Davis and Tony Bennett. Encapsulating charismatically the style, romance and inspiration of the 'Crooners', Alex is so much more than your average tribute, what he does is 'real'. Singing all your favourite tracks from the Ratpack and their contemporaries, Las Vegas never seemed so close.
